Slatwall Hutch Accessories

Slatwall Baskets

Keep your mobile office organized with our Slatwall hutch wire storage baskets. They are the perfect place to keep your most often used items. The baskets attach to the Slatwall and can be easily mounted to meet your needs. Various sizes available.

Part Number: MOA-BSK-312 (3"x12")
MOA-BSK-812 (8"x12")

Slatwall Hook

We know that many mobile offices are not just for paperwork. Our Slatwall hook is ideal for storing cables, extension cords or hoses. It easily attaches to either the hutch or the side or the desk for an out of the way storage solution.

Part Number: MOA-780092

Slatwall Monitor Mount

The monitor mount bolts directly to the Slatwall hutch. It is moveable at both ends for almost infinite adjustments and the perfect viewing angle. Includes a universal VESA plate (75mm X 75mm and 100mm X 100mm hole patterns) to accommodate most external monitors up to 19".

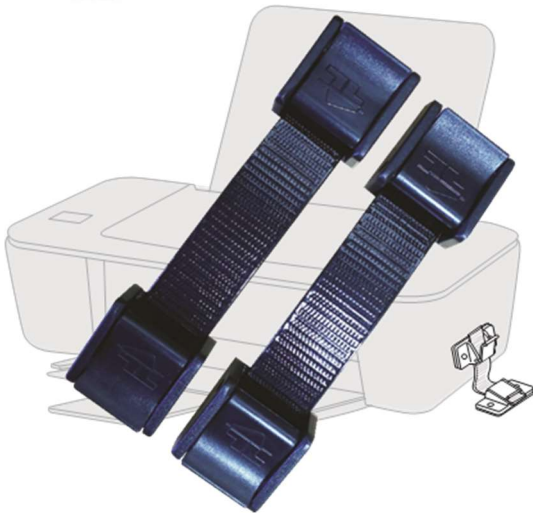

Part Number: VANGOSWM01

Desktop Monitor Mount

The RAM® Desktop Monitor Mount bolts directly to the desktop. The universal VESA plate has both 75mm X 75mm and 100mm X 100mm hole patterns to accommodate virtually any external computer monitor. The height of the monitor can easily be adjusted up to 4" by turning the knob at the top of the pole. The monitor can be both tilted and rotated using the double-swing arm and ball socket.

Part Number: VANGO-DTM01

Equipment Tie Downs

Securely holds printer, laptop or other office equipment in place using 3M marine grade adhesive. Peel and press installation. The quick release strap makes it easy to move equipment in and out of the vehicle.

Part Number: MOA-SG1

Computer Accessories

Glare Filters

Glare can often be an issue when working on the road. Specialized filters can help eliminate glare from the sun or overhead lights. We offer a variety of glare filters to fit all your mobile devices including laptops, tablets, smart phones, and GPS's.

Part Number: MOA-330x215G (15.4" Monitors)
MOA-476x267G (21.5" Monitors)
MOA-475X297G (22" Monitors)
MOA-517x324G (24" Monitors)

Glare Hoods

Glare and privacy are often a concern when working on the road. Glare Hoods can help eliminate glare from the sun and shield sensitive data from being seen by others. We offer glare hoods in a variety of sizes to fit all your mobile devices.

Part Number: MOA-LTGH01 (Laptop)
MOA-DTGH01 (Desktop)

Privacy Filters

Privacy can often be an issue when working on the road. Specialized filters can help protect sensitive data from being seen by others. We offer a variety of privacy filters to fit all your mobile devices including laptops, tablets, smart phones, and GPS's.

Job Site Accessories

File Tote

The portable tote provides storage space for your files and other office supplies. It has adjustable dividers that allow you to customize the configuration for your specific needs. This durable tote is secured with the vehicle's seatbelt. The extra-long handles make it easy to carry

Part Number: MOA-TOTE01

Laptop Harness

The Laptop Harness allows you to comfortably use your laptop or tablet while at a work site. Holding a laptop or tablet for any length of time can be awkward. With the Laptop Harness your hands remain free. It is lightweight, easy to put on and take off, and is equipped with an adjustable safety strap to protect your equipment.

Part Number: MOA-LTH01

Laptop Tripod Stand

Spring-loaded expandable tray holds laptops 10"-16" wide. This lightweight unit is adjustable between 20" - 65" high. The optional mouse platform (shown below) attaches to either side of the tray.

Part Number: MOA-TRIPOD01

Optional Mouse Platform for the Laptop Tripod Stand

This 8" round mouse platform easily attaches to the tripod stand's laptop tray. It is adjustable and can be positioned on either the left- or right-hand side of the laptop tray.

Part Number: MOA-MP100

Seat Cushions and Back Supports

Back Support Cushion

The 14" wide x 13" high contoured back support cushion helps maintain the natural curvature of your lower back. It enhances overall posture by supporting proper spinal alignment. The adjustable elastic strap secures it in place on any chair or seat.

Part Number: MOA-CS404

Lumbar Support Cushion

The 14" wide x 6" high half-moon style lumbar support cushion provides added support for your lower back. The adjustable elastic strap secures it in place on any chair or seat.

Part Number: MOA-DR31

Wedge-shaped Seat Cushion

15" x 15.5" x 1" - 3.75" high wedge-shaped foam cushion helps reduce pressure on the tailbone when sitting. Made of precision-cut foam covered with soft fabric.

Part Number: MOA-5403

Mesh Back Support

The mesh back support cushion can be used on any chair to create a more comfortable seating experience. It can be used at home, work, and in the car. It attaches with an elastic strap which can be adjusted up or down for the perfect fit. The mesh fabric allows air to flow for cool comfort.

Part Number: MOA-19185

Gel & Foam Seat Cushion

The 15" wide x 13" deep x 1-1/2" thick seat cushion is ideal for use in a vehicle or on an office chair. The gel interior is surrounded by high density foam allowing for optimized pressure reduction. The breathable cover is removable and washable.

Part Number: MOA-14888

Gel Seat Cushion

The 15 1/2" wide x 13 1/2" deep x 1" thick cushion is grooved to eliminate soft tissue pressure. The forward sloped design helps to maintain proper posture. The integrated handle and foldable design make transporting the cushion easy.

Part Number: MOA-GS01

Computer Accessories

Mouse Pad with Wrist Rest

7 1/2" wide x 12" long mouse pad with built-in foam wrist rest.

Part Number: MOA-7512FBK

Sloped Mouse Pad

8 1/4" x 9 3/4" oval mouse pad provides exceptional comfort. 7/8" thick at one end sloping to 3/8" thick at the other end helps maintain a neutral hand and wrist position. Made of memory foam with a washable fabric cover.

Part Number: MOA-59607

Wrist Rests

Wrist and hand discomfort can often occur after spending time using a keyboard. Wrist rests can help eliminate some of this discomfort by providing a cushioned surface to rest your hands, arms, and wrists. We offer wrist rests in a variety of sizes and materials for all your equipment including laptops, keyboards, and mice.
