

CarGo 300 Series

MOBILE OFFICE

Ergonomic Solutions
WHERE THE OFFICE MEETS THE ROAD

The CarGo 300 Series desk is the ultimate solution for mobile professionals working from any four-door vehicle. It is, hands down, the most ergonomic car desk on the market.

The CarGo Desk's universal design safely accommodates your laptop, printer and other auxiliary equipment in the back seat of virtually any four-door vehicle.

Features

- Fits on the passenger side, rear seat of any four-door car, truck or SUV
- Firmly anchored to the vehicle using the LATCH system or seatbelt
- Ergonomically designed for maximum comfort and safety
- Height-adjustable counterbalanced laptop tray with articulating arm
- Durable steel and composite phenolic construction
- Engineered to be used while sitting inside or standing outside the vehicle
